

New School Scholarship Application for EMBA Students

Thank you for your interest in applying to be one of the 2020 New School Scholars. New School Scholars fulfill their NCCU EMBA elective requirement by taking all 6 semesters of courses offered by the New School. Participate in discussions and mentorship opportunities with prominent healthcare professors from world-class institutions such as Stanford University, UCLA, Duke University, and the RAND Corporation. Learn how to contextualize these lessons for Asia by learning from US-trained faculty based in Taiwan as well. Gain access to a vibrant international healthcare network, opportunities for international immersion, and guidance toward the completion of a capstone project.
